Health Region golf tournament a success

Forty-six golfers, good weather, enthusiastic volunteers and lots of fun for everyone were the ingredients for a very successful golf tournament hosted by the Mamawetan Churchill River Health Region on June 9, 2007 at Eagle Point Resort in La Ronge.

“We are pleased to announce the fundraising event raised \$13,650 towards the purchase and installation of x-ray and ultrasound equipment at the La Ronge Health Centre,” said Chief Executive Officer Kathy Chisholm.

The money was raised through corporate sponsorship, golfer registrations and pledges, the purchase of mulligans and a chipping-into-a-commode contest. There were golfers of all ages from around the north, with three teams of four from Pinehouse, and the youngest golfer being only eight years old.

”It was wonderful to witness the great support we had for this event from the sponsors, golfers and volunteers. Thanks to everyone for making this golf tournament a success,” said Al Rivard, Chairperson of the Mamawetan Churchill River Regional Health Authority.

Major sponsors for the “*Driving the Next Century of Healthcare*” tournament were Investors Group and Eagle Point Resort.
