Health region recognizes volunteers

The Mamawetan Churchill River Health Region thanked its volunteers at an appreciation luncheon held at the La Ronge Health Centre on Wednesday, June 8, 2011.

"Although National Volunteer Week is in April, we have traditionally honoured our volunteers in June, when it is warm enough to have a barbeque," said Cheri Wolkosky, who coordinates the placement of volunteers for the health region in La Ronge.

Volunteers range from school children who take part in activities with long term care residents, to working and retired individuals who give of their time, talent and energy to take on tasks such as delivering meals on wheels and assisting with transportation and palliative care.

"The success of many of our programs in La Ronge depends on volunteers," said Ron Woytowich, Chairperson of the Mamawetan Churchill River Regional Health Authority. "We are very grateful for their contribution."

Volunteers who attended the luncheon were presented with a small gift.

Anyone interested in volunteering may contact Cheri Wolkosky at 425-4803.
