Additional Child Health Clinics for May

Routine childhood immunizations, particularly in infants, can help reduce complications from influenza.

For the month of May, additional Child Health Clinics will be held at the La Ronge Health Centre. They will be Monday to Thursday, from 9 a.m. to noon, and from 1:00 p.m. to 4:00 p.m.

If your child is due for immunizations, please book an appointment by calling the Public Health office at 425-4800.
