

Mamawetan Churchill River Health Region

Public Service Announcement

February 4, 2010

For more information, contact:
Linda Mikolayenko, 425-4812

Influenza vaccine still available

Reminder to bring children in for their second dose.

Flu viruses are still around and that is why the Mamawetan Churchill River Health Region is continuing to offer both H1N1 and seasonal flu vaccines.

The flu shots are available by calling health centres for an appointment:

Creighton – (306) 688-8620

La Ronge – (306) 425-4800

Pinehouse – (306) 884-5670

Sandy Bay – (306) 754-5400

Parents are reminded to bring their children in for their second dose, if they have not already done so. Babies who have recently turned six months of age are now eligible for the vaccines. Please call the local health centre for an appointment.

More details on the vaccines are available on the health region website:
www.mcrrha.sk.ca

Residents may also call for information toll-free: 1-877-431-2444.
