Wellness grant applications available from health region

Community groups are invited to apply to the Mamawetan Churchill River Health Region for funding to implement community wellness initiatives that focus on youth engagement or youth participation.

The projects must also focus on one or more of the following areas: mental well-being; decreased substance use and abuse; accessible nutritious foods; and active communities.

The deadline is October 30, 2010. Applications are available at health centres in Creighton, La Ronge, Pinehouse and Sandy Bay, and on the health region website at www.mcrrha.sk.ca
