

Mamawetan Churchill River Regional Health Authority

RHA NOTES **from the meeting held** **March 24, 2011** **La Ronge, SK**

- ◆ Chief Executive Officer Kathy Chisholm presented to the Board an update on the progress made during the 2010-11 fiscal year towards the achievement of the goals of the 2009-2012 strategic plan. The Board commended the management and staff for their accomplishments.
- ◆ The Board approved a plan to improve immunization rates in the health region over the next three years. Some of the initiatives include strengthening public education and working with partners to remove barriers to transportation to immunization services.
- ◆ The Board also approved an infection prevention and control plan for the health region. A comprehensive hand hygiene program is one of the key priorities.
- ◆ The Audit & Finance Committee reported on its review of the financial statements for the period ending January 31, 2011 and noted that the region is projecting a surplus of over \$200,000 at fiscal year end.
- ◆ The Ministry of Health has provided the region with the Accountability Document for 2011-12. This document outlines the service expectations and base funding changes. The Board will review the document in more detail at its next meeting.
