

Mamawetan Churchill River Regional Health Authority

RHA NOTES **from the meeting held** **October 28, 2010** **La Ronge, SK**

- ◆ The Board was introduced to Cheryl Elliot, who will be providing financial services to the Mamawetan Churchill River Health Region on a part-time basis through an agreement with the Prince Albert Parkland Health Region.
- ◆ The Board approved a medication reconciliation plan for the health region. This plan outlines specific actions to reduce medication errors and adverse drug events. The plan is based on resources obtained from the national organization, *Safer Healthcare Now!* and Accreditation Canada standards. Communication between health care providers and patients is a key component of the plan.
- ◆ The Board received the Quarterly Quality Report. There were six client concerns received by the Quality of Care Coordinator for the period July 1 – September 30, 2010. Clients with concerns regarding the provision of health care services are encouraged to speak to their health care provider first, and if the issue is not satisfactorily resolved, they may call the Quality of Care Coordinator, toll-free at 1-866-431-2422 or email: quality@mccrha.sk.ca
- ◆ The Board approved the purchase of two refurbished horizontal transport vehicles for the region, pending capital approval from the Ministry of Health.
